Thank You for being part of the SSGA family!! Please read this information carefully and let us know if you have any questions. We believe SSGA is the BEST! If anything we do does not make you say "WOW!" we want to hear about it! We strive to offer the cleanest gym with the best staff and the best customer service anywhere!!

\*All Xcel and Pre-team Members must sign the tuition agreement for July and August to participate in the summer team schedule. Participation in the summer training is highly encouraged, but not required for students currently in the Pre-team and Xcel programs. New Xcel students are required to do at least one day of training in the summer. (However, we highly recommend two days of training for optimal progress.)

NEW! We now offer 2 choices for the Xcel Program in the summer! You may choose our set schedule (Choice 1) as outlined above & enjoy special pricing with this schedule. If your summer schedule requires more flexibility, we now offer our A La Carte Training Schedule (Choice 2). You may choose the days/times that work best for you with this A La Carte Schedule! (Note: You must commit

to the days/times that you register for in the a la carte program for the entire summer- we are unable to accommodate weekly schedule changes for grouping/coaching reasons.)

Participation in the full summer training schedule is expected & required to participate in the Junior Olympic Program.

SSGA is a NUT FREE gym. Please refrain from bringing anything with nuts into our facility.

Holiday Closures: SSGA will be closed on the following dates in the summer: July 3-7, and August 14-19

(Note: Your tuition reflects the cost to run the program for July and August, then that amount is split into 2 even payments for July and August, therefore there will be no credits or prorates for.)

There are no refunds or discounts for attending camps, vacations, etc. during the summer months in the Team Programs. There is a 10% sibling discount for the lower priced tuition. There is a \$10.00 discount per month for using our auto bill program. All teams are required to keep a credit card on file for tuition. If you want to pay by alternate means (cash, check) it must be paid BEFORE the 5<sup>th</sup> of each month.

The Xcel and Pre- Team Programs will be allowed 1 make up per month-based on space and availability.

There are NO MAKE UPS for the JO Program as we assume you will miss for vacation, etc. and we factor that into your monthly tuition.

**\*\*\*Schedules and Policies are subject to change and we reserve the right to combine, change or cancel practices without make up or refund for any reason.\*\*\***
